Authentic Motion Pictures of the Terrible

Dayton Flood Disaster

In Memory of Pony Express.

St. Joseph, Mo., April 3.—With interesting exercises conducted in the presence of a large crowd of spectators a handsome granite monument was unveiled here today to mark the site of the spot from which the first pony express rider started across the plains on April 3, 1860. The memorial was erected by the Daughters of the American Revolution. Mrs. D. N. McFarland of Columbia, state president of the society, presided over the unveiling exercises.

W. L. REED, Pres.

Hid For Robbing Katy Express Train

Wagoner, Ok., April 3.—A startling, convincing and wholly successful witness was produced late yesterday in the preliminary hearing of Bob Wortham, Joe Davis, Tom Spencer and Buck Bertholf, members of the "Davis gang," at Eufaula. The man whose testimony caused the quartet to be bound over to the district court on a charge of having held up the Katy Limited last October and secured big money, was a "queer" whipshred old Tennessean named G. M. Blevins, to whom some of the gang confided secrets, he swore.

Until 30 days ago he had been employed for several months on the Jack Davis ranch in the heart of the wild western end of McCurtain county. He slipped away one day without his pay and went to Sheriff J. W. McCune at Eufaula and told many a dark tale and swore they were gospel truth.

Since then he has been kept under cover for fear of the gang's vengeance, working as a freight handler for the Katy at Parsons. But he took the stand late yesterday, to the surprise of all except a few of the initiated, and looking fearlessly, even gloatingly, into the lined up faces of Jack Davis and the four accused, he revealed a long story so simply that it was intensely dramatic, holding the jammed crowd in the court room as silent as vacancy.

"I ran away from the Davis ranch because I got to knowing too much," he began after sharp parrying with the defendants' attorney had won him the chance. "Tom Spencer told me many secrets and I'd heard after a man got to knowing too much on the Davis outfit the gang put him out of the way. Tom told me they had held up the train and got \$3,500 in one package and \$4,000 in another. He got \$1,200 along with Jack Davis, Joe Davis got \$1,100. Bertholf got \$600 for holding the horses, and Bob Wortham got away with \$3,000. The money was in one and two dollar bills."

That was the story that he told, and when it was finished the attorneys for both sides waived their rights for arguments and the hearing was over. County Judge Ben Gross, before whom the hearing was held, immediately announced that the men would be bound over, and proceeded to fix their bonds. Wortham's, Davis' and Spencer's being set at \$4,000 and Bertholf's at \$2,500.

BOMB THROWERS WIN FOR MONTENEGRINS

Cettinje, April 2 (6:30 p. m. Balkan-).—Great Tarabosch fort, which for months has held the allies off Scutari is now practically in the hands of the Montenegrins, thanks to sacrifice of 200 bomb throwers, every one of whom lost his life in a last desperate effort to clear the way to the town, for the possession of which Montenegro is ready to give up everything.

These bomb throwers were all picked men, chosen from several battalions. Clambering up the mountainside under a murderous fire from the Turkish guns, they cut the wire entanglements, and getting to close quarters, threw bombs among the Turks, thus opening the way for the storming party.

Not one of the bomb throwers returned, but they had accomplished their object and the Montenegrin infantry, following close upon them, charged the trenches.

The Turks covered their ground and a desperate hand-to-hand fight ensued for an hour and ended in victory for the Montenegrins, who lost 300 men killed and wounded.

Tier after tier of entrenchments had to be taken, but the troops of the southern division, under Gen. Martinovitch, to whom the task had been assigned, overcame all obstacles.

The tactics followed, particularly in regard to the use of bomb throw-

EBEY & HARRISON BROS.
CALL OR PHONE NO. 15

W. H. EBEY MAY SUCCEED BALLARD

Oklahoma City, April 13.—The appointment of a state insurance commissioner to fill the vacancy caused by the resignation of Perry A. Ballard was at a standstill Wednesday, owing to the fact that Governor Cruce was awaiting developments in the charges made by the senate that Ballard in his resignation had reflected on the court of impeachment. A trial for contempt was threatened and pending such prosecution, Governor Cruce would make no statement as to whom the successor in the office would be. After it was decided that the senate would not sit in the contempt case of the resigned state official, the governor stated that he had not definitely made up his mind as to the appointee, although it is expected that he will be named sometime Thursday.

W. H. Ebey, of Ada, and Arthur W. Pettit, according to conjecture, seem to have the best chances for the position although friends of the governor say that no guess is certain until the official is named. Pettit and Ebey, however, have been highly recommended by friends and both are putting up a hard fight for the place. Pettit has been endorsed for the place by members of the Wright investigating committee, the report of which caused the first investigation into the office of the insurance commissioner, and spoke in the highest terms of Mr. Pettit, who has been Ballard's assistant. Champions of Ebey, who was clerk of the house during the 1910-11 legislature are strongly advocating his candidacy and his numerous friends have urged the governor to consider him carefully when he makes the appointment.

Prior to the senate dropping the charges of contempt against Ballard, Governor Cruce stated that he was withholding his appointment pending the prosecution of the charges and that every delay made it harder for him to select the official as he is besieged by friends of the applicants and each day brings new seekers for the place. Although he had not decided whom he would appoint Wednesday night, it was believed the selection will be made sometime Thursday.

Any erroneous reflection on the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the management.

Obituaries and Resolutions of Respect of less than 100 words will be published free. For all matter in excess of 100 words a charge of one cent per word will be made. Count your words and remit with manuscript.

The Muskogee papers are making faces at Gov. Cruce because he let the Muskogee state fair bill die. While we admire Muskogee for the vim it displays in every matter bearing on the prosperity of the place, we are inclined to think the governor was right in this instance, Oklahoma City had taken the lead in the matter of a state fair, and it would hardly have been treating the boosters of that city right for the state to give official recognition of another, especially since the first one has been running independently without asking for legislative indorsement.

As another example that much of the funkiness and snobbishness that had grown to be a part of the machinery of the national government will be cut out during the Democratic regime W. J. Bryan directed an elevator man to quit work at the regular hour, instead of waiting until the secretary came out of his office and was taken down, Bryan very sensibly remarked that he did not think it would hurt any official to walk down two flights of stairs if he remained in his office after quitting time for the elevator man had arrived. It is only a small incident but straws show the way the wind is blowing.

ABOLISH TOWNSHIP GOVERNMENT.

We are very much in favor of the proposition before the legislature looking toward the abolition of the township government. We believe this to be a relic of former generations. It is an expensive luxury from which the people of the township get little or no benefit and it increases taxes very materially. There are no duties exercised now by township officers.

CAPUDINE CURES HEADACHE

ADDOSE. HICKS' CAPUDINE IN A LITTLE WATER Removes the cause, whether from cold, grip, or nervousness. 10c., 25c. and 50c. SOLD AT WELL-STOCKED DRUG STORES

ANNOUNCEMENT

We have bought the bankrupt stock of the Ada Trading Company at bankrupt prices and beginning Saturday April 5th, we are going to offer this \$15,000 stock of clean, merchantable goods to the public at prices in keeping with the price we paid, which is greatly below the wholesale value of the goods.

We are not going to enumerate a few articles at catchy prices to induce you to come in, but are going to invite you to come in and let us prove to you that every article in the house—groceries, dry goods, shoes, hats, clothing and notions—will be sold at prices far below their value.

We expect to continue the business at the old stand indefinitely and our future standing with our patrons will depend largely upon the sincerity and good faith with which we carry out our promises in this opening sale, which will continue one week from April 5th, so we again invite you to visit our store during this week of bargain offering and we are sure we will convince you, by prices that we mean every word we say, and thereby will hope to merit a continuation of your patronage. Very Respectfully,

MR. and MRS. TOM HOPE

Four To Die On Same Gallows

Montgomery, Ala., April 3.—Four men will be hanged from the same scaffold here tomorrow unless Governor O'Neal should grant an eleventh-hour stay of sentence, which is not expected. Two of the condemned men are white. This will be the first time since the war that a white man has been executed in Montgomery county.

Walter Jones and Arnold Gilmer are the two white men slated to pay the extreme penalty. Jones was convicted of having killed Sloan Rowan in a passenger coach of a train just ready to pull out of the station here on July 17, 1912. Rowan was on his way to Benton to testify before the grand jury in an arson case in which Jones was the principal. Arnold Gilmer, while under the influence of liquor, shot and killed Mrs. Lucie Tippetts. He had visited the house with the intention of killing her husband and could give no reason for shooting the woman in the absence of Tippetts.

John Adams, a negro, killed a policeman in the fall of 1910 when the officer called at the house to arrest him for a minor offense. A citizen came to the aid of the policeman and wounded Adams severely. His life was despaired of for weeks. When it was seen he would recover several attempts were made to lynch him. The militia was called out to guard the jail and succeeded in dispersing the mobs. Coleman German, the second negro condemned to death, was convicted of the murder of a negro woman.

All kinds of blank books, ledgers, cash books and day books at Holley's Drug Store 22nd St.

The Campaigns Around Chattanooga

Chattanooga, Tenn., April 3.—The question as to which army won in the battle of Chickamauga has provoked much controversy, but unbiased history sets the engagement down in the list of drawn battles. The Confederate historians, however, insist that the victory was with the southern army.

The late Gen. H. V. Boynton and the late Gen. John B. Gordon had a number of sharp passages in public prints years ago over the question. Gen. Boynton advanced the argument that Rosecranz did not run away from Chickamauga; that after the battle "he advanced on Chattanooga." In reply to this somewhat remarkable proposition, Gen. Gordon said that inasmuch as Rosecranz had been in possession of Chattanooga for months, he could not understand how his retreat from Chickamauga could be twisted into an advance on Chattanooga.

Gen. Gordon went on to explain the situation at some length. He said that Gen. Rosecranz had Atlanta as his objective; that he left his stronghold at Chattanooga, and turned his face south. After the battle his face was turned back to Chattanooga where he proceeded to fortify his position even stronger than ever. The fact that the Confederates met Rosecranz at Chickamauga and turned him back, is the circumstance upon which men like Gen. Gordon base their claim to the victory.

Gen. Bragg was severely criticised for failure to follow Gen. Rosecranz into Chattanooga and finish him. However, Gen. John B. Gordon defends Bragg. He says that Gen. Bragg knew that Chattanooga was strongly fortified, that wires had been stretched at intervals across the

Pure in the Making Sure in the Baking CALUMET BAKING POWDER

Just an ordinary knowledge of baking requirements on your part is all that is necessary to produce perfect bakings with Calumet Baking Powder. Calumet by its purity and perfect leavening qualities does the rest.

Leave your next baking to Calumet and note the improvements—also note the saving—for Calumet is economical in cost and use. All good grocers sell it.

RECEIVED HIGHEST AWARDS
World's Pure Food Exposition, Chicago, Ill.
Paris Exposition, France, March 1912.

You don't save money when you buy cheap or big-can baking powder. Don't be misled. Buy Calumet. It's more economical—more wholesome—gives best results. Calumet is far superior to sour milk and soda.

of Chattanooga are richer in war history than any other point on the American continent. For this reason, and additional fact that no locality has so much scenic beauty, the attendance on this May reunion is expected to be the largest in the history of the association of Confederate veterans.

Five room house and 2 lots on 16th street, between Townsend and Stockton. Will trade for horses, mules or cattle. See or phone 219. 223-1f W. H. BRALEY.

Huge German Liner Launched

Berlin, April 3.—A large party of press representatives left here today for Hamburg, the guests of the Hamburg-American Line to witness the launching of the giant vessel that is being built for the company at the shipyards of Blohm and Voss. The new vessel will be called the Europa and will be placed in service between Hamburg and New York. She is a sister ship of the Imperator, the largest ship in the world. Prince Regent Ludwig of Bavaria has accepted an invitation to be sponsor at the launching, and his son, Prince Rupprecht, will christen the vessel.

The Europa will be 950 feet long and 100 feet beam and will have a displacement of 50,000 tons. She will be equipped with internal combustion engines and two 1,500 horsepower Diesel motors, and will use oil as fuel.

There are to be eleven decks on the new liner. She will have accommodations for more than 4,000 passengers of all classes and will carry a crew of 1,000. Every feature is devised for the convenience, comfort and entertainment of ocean travelers has been included in the plans for the new giantess of the seas. Two novel features will be a regulation tennis court on the upper deck and a swimming pool, 75 by 25 feet on one of the lower decks.

The Europa will not be a fast boat, being built more for solid comfort than great speed. Her time across the Atlantic will be in the neighborhood of seven days.

The most powerful Marconi apparatus ever set up at sea will be installed, the unusual height of her masts making it possible to receive or transmit messages across the broad expanse of the Atlantic ocean. The Europa will always be in direct communication with either her namesake continent or America.

Don't worry over lost articles—the News "Want Column" will find them.

MORE FLOOD DAMAGE IN ILLINOIS

Shawneetown, Ill., April 2 (By Boat to DeKoven, Ky.)—Shawneetown, 150 miles northeast of Cairo, and claiming 3,000 inhabitants, was practically wrecked by the Ohio river flood today. High winds lashed the water into a rolling sea which dashed over the already submerged levee, opening a rift in the embankment and in a little time a swift current was dashing through the residence section, carrying all before it. Frame houses fell to pieces before the rush of water and the force of the wind, and the more substantial structures were shaken.

Hundreds of persons had previously fled from the place, but dozens of families remained in their homes. Their rescue was accomplished with two yawls of the naval reserves. The damage is estimated at \$3,000,000.

Less than 100 persons remain in Shawneetown tonight. They are occupants of business houses on Main street, the highest point in the place. Marooned in the upper stories, they are grimly staying with their possessions.

A desperate effort was made to save the town yesterday when what is known as the South levee was dynamited in the belief that the backwater, while it would flood the place would equalize the pressure against the levee on the north side and preserve it and thus prevent the full force of the current sweeping through the place.

fields between Chickamauga and Chattanooga to obstruct as much as possible a Confederate advance, and that other obstructions had been placed in the path of the Confederates. Gen. Rosecranz, it seems, had anticipated a possible advance on Chattanooga by the Confederates and had done everything known to war preparations to obstruct his antagonists if they attempted to storm him in his stronghold. Gen. Gordon was of the opinion, in later years of his life, that if Gen. Bragg had undertaken to follow Rosecranz into Chattanooga his army would have been cut to pieces or captured.

Two months after the battle of Chickamauga, the armies found themselves engaged in another death grapple. From September 23 to November 24, the date of the Lookout mountain engagement, the armies had been repairing the awful damages to their ranks in the Chickamauga massacre. The battle of Lookout mountain opened the final conflict on these historic fields. This battle was fought November 24. Next day came the battle of Missionary ridge, November 25. The latter engagement broke the power of the Confederates in the Chattanooga territory, and left the federalists in undisputed possession of the valley.

Including the battles of Chickamauga, Lookout Mountain and Missionary Ridge, and various skirmishes incident thereto, the losses here were about 47,000. These facts and incident will be of intense interest to the Confederate Veterans and visitors when they assemble here May 27-29 for the annual reunion. The environs

Ready for Roosevelt Wedding.

New York, April 3.—Everything is in readiness for the wedding tomorrow of Miss Ethel Roosevelt, daughter of Colonel and Mrs. Theodore Roosevelt, and Dr. Richard Derby of this city. The ceremony will be performed at noon in the Episcopal church at Oyster Bay and will be followed by a breakfast at Sagamore Hill. Although no attempt will be made to have an elaborate wedding the guests will be numerous and the musical features unusually attractive. The bride will have five attendants. Mr. Roger A. Derby will be his brother's best man and Archie Roosevelt, brother of the bride will be one of the ushers.

Economical Ironing

To iron economically you must not waste heat. Ironing with ordinary flat irons is very wasteful of heat; most of the heat goes up the kitchen chimney; a lot of it is wasted in charring the ironing pad and in scorching the clothes. Ironing with a

Hot Point Electric Flat Iron

is quite different—all the heat is in the iron ready to go into the pieces ironed instead of going into the room or up the kitchen chimney. None of it is wasted.

To use only the amount of heat actually needed for ironing, be it either heavy damp pieces or laces, embroidery or other light goods is real economy. That's why Hot Point Irons are used in thousands of homes throughout our country.

We keep all styles and sizes—Let us send you one on trial.

Always got all kinds of paint at lowest prices at Dr. Holley's Drug Store. 229tf.

The De Sota theatre drew a large audience last evening with its three reel attraction, and all seemed well pleased. This evening the program will consist of two up to date films. The first will be His Heroine, one of the most delightful turned out by the Thanhouser company. The Greater Love is another one of the famous Flying A dramas made amid the beautiful scenery of California.

Judge Tom D. McKeown spent Tuesday and Wednesday in Oklahoma City. He said he remained over Wednesday to see the fun when the governor's action in letting a lot of bills die became public. He was well paid for his delay, for he says there was some howl in the camp. Naturally the Muskogee delegation was indignant over the fate of their fair bill, and a number of others with congressional aspirations made the air blue with their comments as they saw their hopes go up in smoke. One irate member suggested that the house ask the governor to frame such measures as he wanted and submit them to the legislature for its approval. About the only ones bearing their sufferings without making an outcry were members who had pet measures they hoped to get by at the special session.

Let the News WANT COLUMN be your agent. Results are sure

Tennessee is again confronted with a crisis in its legislature. It has become a habit in that body when other means of any faction having its way fail to skip out from the state and by breaking a quorum make terms with the others before returning and resuming work. A bunch of republicans and independents left Nashville a few days ago, some going to Alabama and others to Kentucky and a deadlock similar to the one of two years ago will result. A bill passed both houses making such a desertion a felony but Gov. Hooper returned it with his veto.

Leader, Pittsburg, Pa.—The Southers have come and departed, leaving behind wonder and amazement at their eloquence. April 3, Normal Auditorium.

F. F. Brydia was a passenger to Stonewall this morning.

A. P. Rhea left Wednesday evening for Forney, Tex., where he may possibly accept a position offered him.

Little Lady Richey, who has been suffering from an attack of measles, is reported on the road to recovery.

Manager Ward of the Majestic has with commendable enterprise secured the moving pictures of the Dayton flood, he being among the very first in Oklahoma to secure them. They will be presented Monday evening. This evening there will be two good ones. One of them shows a thrilling flight of a wagon driver with a cargo of nitro glycerine and final explosion of same. A picture in the oil fields. The other will be Where Mary Grew Up, a refined and humorous comedy.

BENEFIT CEMETERY ASSOCIATION

The DeSota Theatre will give a picture show and musical program Friday, matinee and evening, for the benefit of the Ladies Cemetery Association. Every body invited, especially school children.

HOUSE ADJOURNS FOR BASEBALL GAME

Oklahoma City, April 3.—Although there was no official expression of the sentiment, the house of representatives was a wretched assembly Wednesday as a result of the governor's unfavorable action Tuesday upon sixteen big bills of the regular session. Many of the members openly expressed their anger and disappointment and talk of an early adjournment of the special session is now common.

Members of the appropriations committee are known to have formulated hurried plans Wednesday for immediately reporting out appropriations for the maintenance of the state government and institutions, with the expectation of immediately passing these measures and ending the session.

Lemon, of Grant, was the author of a resolution to end the special session April 5, and it received 34 votes on the indirect motion to suspend the rules, to 29 against. The resolution comes up on the direct question of passage Thursday.

Curry, of Tulsa, was the author of a resolution asking the governor to draft a congressional redistricting bill according to his own ideas and submit it to the legislature.

The house session was brief, and adjourned at 3 o'clock to take advantage of an invitation to witness the Omaha-Topeka baseball game. Leaders of the house favored the resolution on the idea that a baseball game might alleviate the anger and impatience so patent in some of the members.

Noted Suffrage Leaders Heard.

St. Louis, Mo., April 3.—Many of the most noted equal rights advocates of the country were heard today at the sessions of the second day of the annual meeting of the Mississippi Valley Woman's Suffrage Conference. Among the number were Miss Virginia Brooks of Chicago, Mrs. John M. Dietz of Cincinnati, Mrs. Rex McCreery of Green Bay, Wis., Miss Martha Heide of Milwaukee, Miss Kate M. Gordon of New Orleans, Mrs. Caroline Bartlett Crane of Kalamazoo, and Miss Anne Martin of Reno, Nev.

Mexicans Observe Anniversary.

City of Mexico, April 2.—A brilliant passage of arms, in which Gen. Porfirio Diaz defeated a superior French force in the streets of Puebla on April 2, 1867, was recalled today to all residents of the republic by the general commemoration of the anniversary. Business was generally suspended and the day was further observed with military reviews and numerous patriotic meetings.

During the brief period that Mexico was ruled by Emperor Maximilian, with the support of the French soldiers, certain sections of the country stoutly refused to acknowledge the monarchy. Porfirio Diaz led the southern wing of those who opposed the intervention of the foreigners. For two months he had laid siege to the city of Puebla, which was the most important place in southern Mexico. The fighting had been furious during a portion of this time but the Mexicans had been unable to dislodge the French from their fortifications. Learning that Maximilian was sending reinforcements from the capital Diaz was spurred to a greater effort and on April 2 he attacked the town just before daybreak. He led the charge in person and dashed into the heart of the city with a small band of followers before the French recovered from their surprise at the audacity of the attack. A bloody fight followed in the principal square and resulted in a complete victory for the Mexicans.

Manchester (Eng.) Chronicle—The American Lyceum Artists, Dr. and Mrs. "Cyclone" Southers gave an excellent rendition of Holm's Classic at the Mechanics' Institute last night. These artists are greatly superior to many who attempt the Classics, and their work last night was most enjoyable. The International Bureau of Liverpool is directing their tour. April 3, Normal Auditorium.

John Stewart, who left a few days ago with a load of cattle for St. Louis went on to visit his old home in Kentucky, returning to Ada yesterday. He stated that the Ohio river at Cairo, Ill., was several miles wide at the time they crossed it on his return home, and that it was a most vicious looking stream and threatened destruction to the city of Cairo.

The sessions of the conference are to continue over tomorrow and Friday. Two attractive evening programs have been arranged, the speakers to include such well known leaders as Mrs. Desha Breckinridge of Kentucky, Miss Mary Johnston of Virginia, Mrs. Caroline Bartlett Crane of Michigan, Miss Kate Gordon of Louisiana and Mrs. Catharine Waugh McCulloch of Illinois.

Break Away From Blood Bondage

Drugs in Common Use Harmful as the Disease They are Supposed to Cure.

Many people are shackled to continued suffering by the drugs they use. These seem to dry up the surface but there's a stomach almost destroyed, there are ulcerated bones, locomotor ataxia, convulsions, abscesses, falling hair, impaired eyesight, deafness, and a host of other

Get Away From This Misery. Let S. S. S. Do It for You.

troubles continue to make life miserable. There is one blood remedy that you can rely upon. It is not a "dope," not a physic, not a mineral poison but a pure, powerful medicine that cleanses your blood so completely; so washes your veins, arteries and tissues; so thoroughly bathes your body with internal healthful influence that soon you not only feel a wonderful change but your entire appearance undergoes the most welcome transformation. S. S. S. has long been

recognized as the greatest blood purifier ever known.

If you have been fighting some blood trouble, some eruptive skin disease, call it eczema, lupus, psoriasis, malaria, scrofula or what you will, there is but one sure, safe way to cure it. Ask at any drug store for a \$1.00 bottle of S. S. S. and you are then on the road to health. The action of this remarkable remedy is just as direct, just as positive, just as certain in its influence as that the sun rises in the east. It is one of those rare medical forces which act in the blood with the same degree of certainty that is found in all natural tendencies and controls the mysterious transference of rich, red, pure arterial blood for the diseased venous blood is marvelous.

Out through every skin pore acids, germs and other blood impurities are forced in the form of invisible vapor. The lungs breathe it out, the liver is stimulated to consume a great proportion of impurities, the stomach and intestines cease to convey into the blood stream the catarrhal, malarial germs; the bowels, kidneys, bladder and all excretories of the body are marshalled into a fighting force to expel every vestige of eruptive disease.

There is scarcely a community anywhere but what has its living example of the wonderful curative effects of S. S. S. Get a bottle of this famous remedy today, and if your case is stubborn or peculiar write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga. Their medical laboratory is famous and is conducted by renowned experts in blood and skin diseases.

NORMAL WILL PLAY SCHOOL FOR DEAF

The Normal baseball team will leave tomorrow for Sulphur for two games with the Oklahoma school for the deaf. The Sulphur boys are said to have a strong aggregation of ball players this season, and the Ada boys are not expecting any easy time in wrenching a victory from the dummies.

The Normal team is thought to be the best in the history of the school, although there are three or four new men to be tried out in these opening games. Just what they will do in a tight place is yet to be seen.

The players that will be used on this trip are as follows: McDaniel, catcher; Jones, C. and Ligon, pitchers; Tolbert, first base; Young, second base; McMillan, R., shortstop; McMillan, C., third base; Shelton, left field; Roddie, center field; Robison, right field; Jones, F., substitute.

Reed, who has been showing up well, was knocked out of practice for more than a week and will hardly be in condition to make the trip. However, he will likely get into playing condition again before long and be able to help defeat some of the other strong rivals.

There are other players doing good work also. Hugh Taylor is fielding the ball in professional style, but so far he has not been able to deliver the goods with the willow wand. Taylor is young, however, and the eyes of the rooters are upon him for the future.

Suffrage Conference at St. Louis.

St. Louis, Mo., April 2.—Enthusiasm appeared to be the keynote at the opening here this morning of the second annual meeting of the Mississippi Valley Suffrage Conference. The attendance included delegates from a score of states and among them were many suffrage leaders of national and

international reputation. The greater part of the day was devoted to the exchange of views as to the best methods of promoting the cause and winning the ballot for women. Practical workers explained the several methods of getting the question before the people for a vote and the steps necessary in submitting the matter to the initiative and referendum or securing favorable action by a legislature or constitutional convention. At the afternoon session delegates from Kansas and Arizona told of the methods by which victory had been won for the equal suffrage cause in those states.

FEDERAL JUDGE WILL NOT ASSUME JURISDICTION

Oklahoma City, Ok., April 2.—A far-reaching opinion was delivered in the Federal District Court here today affecting the grandfather election law. The court held in the cases of Tom Mosly and Dan Hogan, Democratic members of the Blaine County Election Board, that the "intimidation" section of the federal law did not apply to the court of the vote cast in a state or congressional election, but merely as a reference to the casting of ballots. Demurrers of E. J. Gustings, attorney for the accused, were sustained, and Federal District Attorney Boardman gave notice of appeal.

The court held that citizens who were deprived of their vote by action of the County Election Board have their remedy in the State court either by damage suits or by other actions against members of the Election Board.

The case is of importance to the Second Congressional District in which this city is located as the election muddle in Blaine county entered into the contest case filed by Judge Carney who claimed election over Congressman Dick Morgan.

LOST—Blue greyhound pup about 2 months old, end of tail white, also some white on feet. Phone F15. Joe Rushing. 368-2td*

NORMAL NOTES

By MOIKE CASSIDY

The Senior Class has started on the play that they will put on sometime in the near future. Miss Ola Davis who was one of the characters has accepted a position in the public schools of Shawnee, but Miss Helen Myers will take her place to a perfection.

The tennis followers are out all during the day, playing on the best courts to be found anywhere.

More talk about the track meet than anything else this morning in chapel. More will be said about this next week.

Good bye! The normal base ball team leaves in the morning for Sulphur where they play the school for the deaf two days. We expect victory both games.

Prof. M. L. Perkins will be back the first of May. He has been attending the Chicago University since last fall.

Tonight is the fourth number of the lyceum course. Come out and enjoy yourself.

Hugh Biles will take care of the normal notes Friday and Saturday. "Gone to see that ball game."

The Telephone Girl.

We read of fair maidens in story. Whose deeds set the world in a whirl.

But for genuine gems they're not in it. With the up-to-date Telephone Girl.

We see her trip up in the morning—From her cap peeps a soft, fluffy curl—

This great central link of existence: Indispensable Telephone Girl.

The day through she promptly assists us. And it must be an out and out churl.

Who can't name by hundreds the favors We get from the Telephone Girl. —Pioneer Bulletin.

PONTOTOC COUNTY CONGRESSIONAL POSSIBILITIES

Under the bill passed by the regular session of the legislature, Pontotoc county is in the district represented in Congress by the Hon. William Murray. Now, if the governor signs the bill and the Hon. Bill Murray decides to run for governor there will be a large crop of aspirants for the toga. Pontotoc has several that might enter the race. There is Tom McKeown, Reuben M. Roddie and John Crawford all sufficiently well-known to need no introduction to the public and there are two others fast forging to the front and conditions might shape themselves so that they would be available. They are R. C. Roland, county attorney and C. C. Williams, the silver-tongued orator of Ada, who is building a reputation for oratory that is not to be sneezed at. —Roff Eagle.

THE FIRST GRAY HAIR SIGN OF AGE

Easy Way to Preserve Natural Color of the Hair and Make It Grow.

A harmless remedy made from common garden sage, quickly restores gray hair to natural color. The care of the hair, to prevent it from losing its color and lustre, is just as important as to care for the teeth to keep them from discoloring. Why spend money for cosmetics and creams to improve the complexion, and yet neglect your hair, when gray hair is even more conspicuous and suggestive of age than wrinkles or a poor complexion? Of the two, it is easier to preserve the natural color and beauty of the hair than it is to have a good complexion.

All that is necessary is the occasional use of Wyeth's Sage and Sulphur Hair Remedy, a preparation of common garden Sage and Sulphur, combined with other valuable remedies for dry, harsh, faded hair dandruff, itching scalp and falling hair. After a few applications of this simple, harmless, remedy, your hair will be gradually restored to its natural color, in a short time the dandruff will be removed, and your hair will no longer come out, but will start to grow as Nature intended it should.

Don't neglect your hair, for it goes further than anything else to make or mar your good looks. You can buy this remedy at any drug store for fifty cents a bottle, and your druggist will give your money back if you are not satisfied after using. Purchase a bottle today. You will never regret it when you realize the difference it will make in your appearance. Agents, Gwin & Mays Drug Co., Ada, Okla.—adv.

MAXWELL. Who in this country ever saw a snow storm in March anyway near as bad as last Tuesday's? At this place it snowed most of the day, with the wind blowing from all points of the compass—it was hard to say how much hit the ground.

Mrs. Vick, who lives near Sacred Heart Mission, has been sick some weeks. Yesterday she was brought to her brother, Mr. Joe Isaacs in Maxwell, thinking the change would be beneficial. One is fortunate in having a brother like Joe Isaacs to care for them, when adversity overtakes them.

We have considerable sickness among the people, none however, of a serious nature. We certainly need a doctor and why as good a location as this is for a doctor with none applying for the place is an enigma to me.

Monday: This is a clear day, with a stiff wind from the northeast, our farmers are all aglow with a merry song they feel and know that they are the salt of the earth. I believe it was Brigham Young, when he sent his missionaries out in the foreign lands to hunt colonists that he might convert to mormanism that miners and ranchers were birds of passage, but farmers came to stay. Hence his representatives sought the farmer.

To our shame, as a Christian community our officers have been forced to arraign a few of Gaily's young men on a charge of disturbing the people who had gathered at the church for singing. Upon a hearing before Judge Walker a jury of six good and lawful men decided that a contribution of \$5.00 each and trimmings, would as a reminder in the future that you must not disturb the brethren.

I am told that a nice game of ball was pulled off down the river on the diamond, however we have had no Sabbath School. Perhaps the day will come when we will have the school.

We see but little from our sister republic of Mexico. Have the powers who are now ruling there invoked the mailed hand as all tyrants do?

Our legislators certainly are hard at work, as we hear but little from them. Certainly they will merge a number of offices to save expense as they promised to do. By the way, why not begin a reform now that will likely come in twenty years: do away with our state legislature as it now is, and elect representatives from each congressional district and two from the state at large; let them be a legislative body who shall serve for two years and be in session nine months in the year. Let them elect one of their body to be Governor and one presiding officer, allow them a salary of from \$2500 to \$3500 a year. Let them make such laws from time to time as the people need and repeal all useless laws. A million dollars might be saved every two years. Of course the constitution of the United States and of Oklahoma would have to be changed. The people could vote all these changes.

PENNSYLVANIA RATIFIES CONSTITUTIONAL AMENDMENT

Harrisburg, Pa., April 2.—Pennsylvania today joined the ranks of the states that have ratified the proposed amendment to the federal constitution providing for the direct election of United States senators, making the thirty-fifth to fall in line. The joint resolution ratifying the proposed amendment which previously passed the house, was passed by the senate today unanimously. The vote of only one more state is needed to make the amendment effective.

CAPT. BILL McDONALD BECOMES U. S. MARSHAL

Fort Worth, Tex., April 2.—The veteran Texas Ranger and former State revenue agent, William J. McDonald, qualified here this afternoon as United States Marshal for the Northern District of Texas. The oath of office was administered by Judge Edward R. Meek.

The commission formally appointing Capt. McDonald to the office arrived today, and within a few minutes Judge Meek swore in the appointee. Capt. McDonald succeeds George H. Green, who was appointed by President McKinley in 1898.

Second District Federation.

Anadarko, Ok., April 1.—The fifth annual meeting of the Second District Oklahoma State Federation of Women's Clubs started here today. The meeting convened at 6:30 this afternoon, the federation being called to order by Mrs. E. D. Gotchy, president of Oklahoma City. Other officers now present are Corresponding Secretary Mrs. C. W. Durand of Oklahoma City, and parliamentarian, Mrs. Charles R. Hume of Anadarko.

The meeting this afternoon consisted mostly of reports of various committees. In the evening a splendid program was rendered by local talent followed by an informal reception to visitors.

SPECIAL OFFICER BRENTS ACCOMPANIES APACHES HOME

Lawton, Ok., April 2.—The Apache Indians, who have been maintained on Fort Sill military reservation for nineteen years as prisoners of war, left Fort Sill at 4:20 o'clock this evening for the Mescalero Apache reservation in New Mexico, where they will be turned over to the care of the Interior Department, free men. Major George W. Goode, superintendent, accompanied them. Nurses and helpers were also provided and every precaution has been looked after for the

comfort of the redmen. Last word in precaution for the Indians' welfare was added today when T. E. Brents, special enforcement officer with the Interior Department, arrived to accompany the special train. Brents' duty will be to see that no curious bootlegger en route take advantage of the trip to "unload" wet goods upon the thirsty redmen.

Dr. C. M. Means, who was looking after business matters in Ada, returned to Allen this morning.

IN ONE MINUTE! CLOGGED NOSTRILS OPEN-COLDS AND CATARRH VANISH

Stops Nasty Discharge, Clears Stuffed Head, Heals Inflamed Air Passages and You Breathe Freely.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe free; dullness and headache disappear. By morning! the catarrh, cold-in-head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils;

penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold with it's running nose, foul mucous dropping into the throat and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear. Gwin & Mays Drug Co., Ada, Okla.—adv.
